## Summary

I am a fresh graduate seeking a challenging position in an engineering environment where I could add my knowledge and skills for the better productivity of the organization.

## Education

- **Bachelor Of Engineering -** Information Science, NMAM Institute of Technology, Nitte (2022), CGPA 7.05
- **Class XII -** Dr.NSAM PU College ,Nitte, Karkala, Karnataka State Board (2016), 58.50%
- **Class X-** Dr. NSAM Secondary High School Nitte, CBSE (2013-14), CGPA 6.4

## Hobbies and interests:

- Watching Movies
- Volunteering
- Travelling

## Languages

English, Kannada, Hindi, Tulu.

## Project

- **College Enquiry Chatbot using ML and Python:**

This project is about implementing online chatbot system to help users who access college website. We are implementing it using different tools such as NLP, allowing users to communicate with college chatbot to generate a response.

- **Chatbot using Speech Recognition:**

This project is about implementing speech recognition in python. These are software applications used to conduct automatic chat conversations via text or text-to-speech, the interaction with a human agent.

## Skills

·Technical skills:  
Programming - Python, C, C++,  
Java, HTML

·Behavioural skills:  
Listening skills, Team work

## Certifications and Courses

- I have successfully completed an "Internship Project" entitled Machine Learning with Python Programming in Predicting the growth and trend of COVID 19.
- Alison Course on "Google Cloud Computing Foundation"
